Dear Gregory,

WARRANTY/SERVICE AGREEMENT

Thank you for your order.

With this letter you will find enclosed a certificate showing equipment details and the type of cover that you have purchased. Also you will find enclosed self-adhesive label, which we would request you attach to the laser head in a prominent position.

I would appreciate it if you check these details and inform us if they are in any way incorrect.

It is possible that this certificate will be your only reminder of the agreement expiry date and I therefore suggest you keep it in a prominent position.

Should you wish to purchase further agreements on the equipment, they should be ordered at least 90 days before the expiry date of any agreement existing.

Yours sincerely,

Paula Kreps
